RATIONALE

The overall aim of assigning homework is to enhance the extent to which each child benefits from the school's educational programme. The purpose of homework is to:

1. Revise and reinforce class content.
2. Develop responsible home study techniques.
3. Provide opportunities to complete unfinished class work.
4. Provide further opportunities for teacher evaluation.
5. Keep parents informed of content taught and child's progress.

Homework should be relevant, and the tasks to be accomplished will be carefully and clearly defined for the students. Teachers need to be aware of family commitments that may prevent children from completing their homework on occasions. Homework should not be used as a punishment.

| Junior Primary | 15 to 30 minutes |
| Middle Primary | 30 to 45 minutes |
